**A note for parents of small children:** Our church encourages its members and our visitors to include their children in our worship services. We understand that this practice will result in some distractions from time to time, and that forbearance and patience are required by all. Our foyer and all classrooms are equipped with speakers in order to serve as worship service behavior training areas or as cry rooms, as necessary. Please be mindful of others who may be being distracted from worship and avail yourselves of them.

*(God’s) divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence, by which he has granted to us his precious and very great promises, so that through them you may become partakers of the divine nature, having escaped from the corruption that is in the world because of sinful desire. 2 Pet 1:3-4*

*“Every believer may ask God to give him or her the right words to speak when the need arises, and God will hear and answer these petitions. Especially preachers and teachers are able to testify that, in response to their prayers, the Holy Spirit has given them the ability to utter fitting words that reflect God’s revealed Word. Yet no one should ascribe infallibility to either the speakers as persons or their messages, for they proclaim nothing that can be added to the Scriptures. Such preaching and teaching of Scripture has been and always will continue to be prophecy.”*  
— Simon Kistemaker  
1 Corinthians (NTC)

*“Prophecy has been and remains a reality whenever and wherever Bible truth is genuinely proclaimed.”*  
— J. I. Packer
