A note for parents of small children: Our church encourages its members and our visitors to include their children in our worship services. We understand that this practice will result in some distractions from time to time, and that forbearance and patience are required by all. Our foyer and all classrooms are equipped with speakers in order to serve as worship service behavior training areas or as cry rooms, as necessary. If the need arises, please be mindful of others who may be being distracted from worship and avail yourselves of them.
